TOASTING MIMOSA

By Anne Lee Phillips. Photography Shau Lin Hon.

Porcelanosa showroom was the preview setting for the new Mimosa Terrace, a mid-rise luxury residential building with 11 estate homes, each with soaring 12-foot ceilings, located on Mimosa Drive in Glendower Court. Crafted by architect/developer Citiscape, with sale and marketing by Sudhoff Companies, the evening included guest designers **Melissa Rosenberg** and **Brooke Gibson Ritchie** of Rosenberg + Gibson Design, on hand to help buyers select appropriate finishes and details. Topping off the evening were Citiscape's **Victoria** and **Joseph Lee**, **Ignacio Ruiz** from Porcelanosa showroom, and Sudhoff's **Dina Gustin** and **Betty Harbourt**, while a guitar player performed acoustic Spanish songs and guests enjoyed Deep Eddy Vodka Mimosa cocktails.
